

Tri Golf Tournament

On Thursday 30th November 2023 15 primary schools involving 150 children from the Eden area took part in the annual tri golf tournament at Penrith Leisure Centre in conjunction with staff from Eden Valley Schools Sports Partnership. (EVSSP)

This involves a number of golf activities including putting, chipping and target golf with points scored across all the activity sessions. It really is an enjoyable event for the school children taking part and is very competitive!!

The event is run across two sessions to ensure all schools take part at 10am and 1pm each lasting a couple of hours.

The winners go through to the County finals held at Carlisle in 2024.

Grateful thanks are extended to Alan Ellison, Phil Park, Ingrid Mutch, Javid Latif, June Doyle, Joan Armstrong, Andrew Sowerby, Carol Slinger, Richard Hellon, Isobel Williams, Alan Cooper, Barry Rogers, and Ron Glasby for their support on the day and making it run successfully.

EVSSP also pass on their grateful thanks to the club for their continued support and providing such an important opportunity for children to participate in sport. Hopefully we may see some of the children come to the club in the future and play golf.
